🌀 Monster Draw for Hallowe'en

We are holding a fundraiser on Friday, 25th October to raise funds for our school. Each family will receive a card with 20 lines next week, and if possible, we would really appreciate your support in selling these lines but as always there is no pressure. Any donations at all really help us at the school in providing the best for our students. We have some super prizes with our top prize of Afternoon Tea for 5 people in Ashford Castle. Our draw will take place during a half term cake sale on the day of the Hallowe'en holidays. All donations of baked goods are gratefully accepted from Thursday 24th October. Thank for your continued support.

🌀 Clothing Collection

We are continuously collecting used clothing as part of a fundraising effort, if you are having any clear out of clothing at home we would be most grateful if you thought of the school. Black bags of second hand clothing can be left at the Sports Hall. Please note blankets, duvets and end of life clothing is not accepted.

🌀 Parents Association

Our Parents Association has formed for the coming year and we are delighted to have this support for our school. We wish to thank the PA for organising the recent visit from Science Ireland. The children really enjoyed the workshop. Events like this really enhance the learning experience for our students and we are very grateful to the PA for their help in funding these events.
