SCIENCE WEEK 2019

We are delighted to celebrate Science Week this week with fun in class activities. We also have two whole school events detailed below...

1. Xperimental

We received confirmation that we have a science show coming tomorrow, Thursday 14th called Xperimental and this is in conjunction Galway Science and Technology Festival who sponsor these events for schools during the month of November.

2. RSA StreetSmart

We are very lucky as, after a 2 year wait, we will have the RSA Roadshow Streetsmart coming to the school from Monday 18th November – Wednesday 21st November. StreetSmart is an exciting initiative set up by the Road Safety Authority which aims to bring issues of road safety to life for young school children. It is a timely event with the local initiative to improve road safety on the approach road to our school. We remind all road users again to be aware of the children and the movement to and from the school at drop off and pick up.

BOOK FAIR 2019

We are very grateful to Emma Halloran and Teresa O’Neill who have organised and are facilitating the Book Fair here at the school and we also really appreciate the parental support as the school receives rewards from Scholastic and it enables us to avail of literacy resources we can use in the school.

We are also mindful of the students arriving to the school with money as it can often get misplaced and can lead to upset if they do not have enough for the book they wish to get.

There is a new option this year for parents who cannot make the opening times, there is an online facility where you purchase, over the phone, the book your child has picked out and you can send your transaction code into the school to the book fair organisers and your child can collect the book from the book fair. Please see the attachment below.
