<ul style="list-style-type: none"> <li>• <b><u>Green Genie</u></b></li> </ul> Unit 16	Page 64  Activity A (Answer questions in your copy)
<ul style="list-style-type: none"> <li>• <b><u>Gaeilge</u></b></li> </ul>	TG4 and Cúl 4 have lots of children's programmes that the children may find enjoyable and they will help with their Irish.
<ul style="list-style-type: none"> <li>• <b><u>Maths</u></b></li> </ul>	For the moment children can continue their daily work in Master your Maths.  Time had been started in class and children were practicing O'Clock, ½ past and ¼ past. Counting on and back on the clock. This is always a difficult topic to grasp. It needs a lot of practice which can be done throughout the day....asking the children to read the time during the day etc. Digital time had just been touched on but not taught. Again this could be practiced at home.
