Dear Fourth and Fifth Class,

I hope this letter finds you well. How were your Easter holidays? I hope you all enjoyed Easter eggs for breakfast, lunch and dinner! How did you spend the holidays?

I know it has been a while since we have had class and our lives have been quite strange. How have you been keeping busy? Have you been enjoying the sunshine? Did any of you who were due to make your Confirmation have any celebrations on the day? Have you been keeping in touch with one another on Google Hangouts or Facetime or any of those? Have any of you read any good books or made any creation? Has anyone been out on the farm with their parents?

I miss teaching you all and look forward to hearing how you have been spending your days. I have been very busy practicing my baking skills so we can bake more extravagant recipes during games! I have also been walking the dog. I hope you are all getting out in the garden or going on small walks and enjoying the sunshine.

These are days which you will remember for the rest of your lives. I know they may seem strange but remember that you are all safe with your families. Try to think of one thing you are grateful for every day. These days will soon pass and we will all be back working hard in the classroom and enjoying games on the school yard.

I am looking forward to hearing from you all. You can write me a letter any time and ask your parents to email it to me.

Ms Waldron.
