English Reading PM Books

The link is: info.cengage.com/ecollection_2020. I just entered that address in the address bar without www. at the start. You can register there. The school Eircode is H91FX95 which is needed.

Gaeilge

Irish: The Bua na Cainte scheme we use at school is available to download. It's quite a large file so it may not be possible for all to download and store. The link is <http://www.edco.ie/bua> . There are songs/poems for each area. When you click in to a Ceacht/Lesson the little speech bubble will play a conversation with the characters. The computer game controller icon has interactive activities they really like. Please make sure the little mouse in the corner is clicked so that the text appears on screen too. The children can practice Irish at home with simple sentences if possible. The children can try to name things in the home in Irish or look them up.

Music

Instructions

There is a rhyme and a song to learn each week from memory.

- With each week there is an audio file singing or saying each song/rhyme and a second recording with the beat accompanying the song or rhyme.

- Play along with the beat when you know the song/rhyme on a percussion instrument at home or even try playing the beat with some kitchen utensils like pots, pans or spoons. If you would like, you could also make some instruments like shakers from empty bottles and some dry rice or pasta.
- You can perform the song and rhyme over the weekend for your family or even get a collection of your favourite teddy bears or toys and let them be the audience. You can also make a video and send it to someone special (this will really cheer someone up to get a little concert sent to them).

The second part of your work is to listen to a YouTube link of an instrument and colour in the picture and read the facts about this instrument below the image.

Hi everyone I have attached a short daily plan of work for the week ahead. If you have any queries or would like any help or assistance, please contact me on linda@kilcoonans.ie

Again, this weeks work may sent to me via seesaw or email, whichever you find easiest.

Thank you all so much for sending me samples of the children's work. I'm delighted to see that they are all working hard.

Hope you are all keeping well,

Take care,

Ms. Linda Martyn
