Stop that dog

Pages 29, 30, 31, 32

Well done on completing your third reader for this year!

New words

Go, dig, digs, stopped, they

I will send home the purple words on Wednesday and hopefully it will make it easier to practice the new words.

Activity Book

This book is now completed. Well done!

Modern Handwriting B

Pages 56, 57, 58, 59

This book will be among the books going home on Wednesday. Pages 56 and 58 - we usually discuss if there is any child in the room whose name starts with those capital letters. Some children are still waiting patiently for their capital letter to come up!

Planet Maths

Pages 108, 109, 110

I would usually have a bowl of real coins for each child at school so they could handle real money. However, due to the current virus, I will leave it up to each parent to decide what is best for their own child. The children may like to set up a play shop with lots of bargains in it (all items 10 cent or less !)

Little Planet Maths

Pages 22, 23

(This book will go home on Wednesday)

Bua na Cainte

Siopadóireacht.

I will start to mark work from the children's own Bua na Cainte book next week.

Grow in Love

Pages 56, 57

Well done on all the great work you are doing at home! I will mark work from the other books that are going home this week starting on Monday 25th May.

Kind regards,
Teresa Donoghue
