

Senior Infants Plan of Work – 11th – 15th May 2020

Stop that dog

Pages 24, 25, 26, 27, 28.

New words

paint, garden, ring, Mum's.

I will send home the remainder of the purple words when the books are going home next week.

Activity book

Page 64.

This page contains some of the purple words from stop that dog. The children could try to put some of the new words into sentences.

Planet Maths

Pages 102, 103, 104, 105, 106, 107

The children can use the 9 cubes which they have at home to complete the measuring activities on pages 106/107. The children do the estimate part first and then measure with the cubes. I find it better not to give the cubes until after the estimate answers are written in.

Bua na Cainte

La Breithe.

Grow in love

Pages 54, 55
