Consent for Sensitive Information for Department of Education and Skills Primary Online Database

The Department of Education and Skills have developed an electronic database of primary school pupils called the Primary Online Database (POD). This database will allow the Department to evaluate progress and outcomes of pupils at primary level, to validate school enrolment returns for grant payment and teacher allocation purposes.

Both religion and ethnic and cultural background are considered sensitive personal data categories under Data Protection legislation. Therefore, it is necessary for each pupil's parent/guardian to identify their child's religion and ethnic background, and to consent for this information to be transferred to the Department of Education and Skills.

All other information held on POD was deemed by the Data Protection Commissioner as non-sensitive personal data. In order to assist with the gathering of data please complete the following.

Religion of Child:	
Ethnic & Cultural Background:	

I consent for this information to be stored on the Primary Online Database (POD) and transferred to the Department of Education and Skills and any other primary schools my child may transfer to during the course of their time in primary school.
